

### **Amendment – Brown Marmorated Stink Bug from 1<sup>st</sup> September – Australia & New Zealand**

Herewith we would like to inform you that all consolidation containers to Australia and New Zealand will be fumigated from now on. Referring to our newsletter no. 05, Fumigation Fee will be charged to all shipments to Melbourne and Sydney as well.

**EUR 25,00 per w/m & EUR 25,00 Minimum per shipment**

### **New Philippine Customs Regulation**

Please be advised that Philippine Customs issued CMO 48–2019 Implementation of Cargo Targeting System in the Philippine Customs which is effective immediately.

The objective is to ensure that the cargo manifest and CCM will be submitted in prescribed form and time. This enhances the capability of the Bureau to collect information, assess risks and target high risk consignments. Subsequently, such a timely submission would increase the Bureau's supply chain visibility and security, promoting fair and effective revenue collection. Last but not least, this would enable the Bureau to expedite the release of legitimate cargo upon its arrival.

We are requesting your assistance to provide Shipping Documents (BL, Invoice and Packing List) four days prior cargo arrival in order to be compliance on above regulation. Failure to submit documents, we will not be liable for any charges that may incur due to late filing.

Attached herewith operational guidelines for the submission of advance cargo declaration, inward foreign manifest, and consolidated cargo manifest by the foreign carriers and their authorized agents for further details and references.

### **Reefer equipment shortage in NWC**

Please be informed that due to the fruit season in South America and swine plague in China, we currently have only occasional Reefer equipment in North West Continent. In addition, due to blank sailings the amount of returning reefer equipment is limited.

### **Tuxpan Call**

Please note that The Alliance will suspend its call at Tuxpan, Mexico on AL4 service due to missing acceptance in the market. By this step, there is no direct connection from NWC to Tuxpan anymore.
