

Update CMA CGM IT system outage

Dear Valued Customer you will find hereunder an update of the current situation in regards to the CMA CGM IT system outage.

Vessels operations have not been impacted according to CMA CGM statement, and containers shall be loaded and discharged as planned once again.

All communications to and from the CMA CGM Group are secure, including emails, attachments and EDI.

The CMA CGM back-offices and agency network are almost fully reconnected. They are currently clearing the documentation backlog and processing times are improving every day.

Your contact persons/customer advisors will be able to answer any further questions that may occur regarding this topic.

Kind regards
