2023 Dangerous Goods Symposium Agenda

(Updated 7/14/23)

Wednesday, September 6th, 2023 - Continued	
	<u>Afternoon Breakout Sessions</u>
<p>1:30 pm – 3:00 pm</p> <p>Rooms TBD</p>	<div style="display: flex; justify-content: space-between;"> <div style="width: 48%;"> <p>Competency Based Training Updates: <i>The Good, the Bad & the Ugly – Live and In Person!</i></p> <p>Since the start of 2023, the adoption of the competency-based training regulations has been mandatory, following a 2-year transition period. How has it been for you and your organization? Are the changes significant for your organization and what challenges have you faced?</p> <p>Join us to hear from 3 experts from the air cargo supply chain on how this process has been for shippers, freight forwarders, ground handlers and airlines. We'll be looking at some specific case studies from the air cargo industry that will enable you to adopt best practices for your organization.</p> <p>This session is live, following the webinar sessions held in 2022 and early 2023.</p> <p><u>Moderator:</u> James Wyatt, aeroconcept</p> <p><u>Panelists:</u> David Bolton, Air Canada Trevor Howard, Emirates</p> </div> <div style="width: 48%;"> <p>The Many Links in the Transport Chain</p> <ul style="list-style-type: none"> Why is it so important I accurately declare my dangerous goods? Why do I have to use my UN specification packaging in the way it was tested? Why does the pilot need to know what's been loaded on their aircraft? <p>This session will look at the Dangerous Goods Transport chain and the many different moving parts and industry segments that make up the chain. Each of our panelists represents a unique transport segment, and we will discuss how they interact and impact on one another and the various challenges (both regulatory and otherwise) each segment faces.</p> <p><u>Moderator:</u> Geoff Leach, The Dangerous Goods Office Ltd.</p> <p><u>Panelists:</u> David Weilert, Viking Packaging Tim Rogers, UPS Mark Rogers, Air Line Pilots Association, International Todd Shamy, J & J Consumer Health Erica Bernstein, CHEMTREC</p> </div> </div>
