Coronavirus Information - 3

Dear Customer,

In addition to our customer advisories dated January 29 and 31, 2020, you will find further information below:

- Leschaco has formed a crisis team and is in close contact with Leschaco Greater China. Every effort is made to avoid and in worst case limit possible effects on the shipments of our customers, while maintaining the health and safety of our employees.
- All our offices in China have staff available either locally or remotely to ensure the smooth running of operations at this exceptional time.
- According to recent media reports, Hong Kong has sealed off most of its border crossings with mainland China in order to contain the spread of corona virus. Ten out of 13 border crossings will be closed. Only the airport, the Hong Kong Zhuhai Macau Bridge and the Shenzhen Bay Bridge will remain open.
- A curfew has been imposed in Ningbo today. It should be possible for a maximum of 1 person from each household to leave the apartment/house every 2 days to do shopping. Access to Ningbo will only be granted to vehicles that have a license plate number registered in Ningbo. There have been similar announcements in certain compounds in Beijing, but these have not yet been confirmed by the local authorities.
- Many provinces and cities have extended the holidays until February 9. An overview is given with the following image. Most manufacturers and suppliers have not resumed production and service. Some are even strictly ordered to keep their premises closed until February 9. Highways are partially closed.

2020 China Spring Holidays Extension*

- Carrier have provided emergency contacts. Most of these contacts are working remotely. We are still evaluating truck service and customs broker availability. Customs authorities started to work today, February 3, 2020.

We'll monitor the situation closely and keep you informed.

If you have any questions regarding your Greater China shipments, please contact your known contact person within the Leschaco Group.

Kind regards

Leschaco (Lexzau, Scharbau GmbH & Co. KG)
